Held indoors at Quinte Canine
987 Old Highway 2 Belleville ON

Barn hunt is a sport developed to simulate working dogs but in today's sport, the care and safety of our rat friends is of utmost importance!

In this seminar, dogs and handlers learn about the sport of barn hunt and the basic rules. Dogs are introduced to live rats and have a multiple chances to search in a trial simulated situation! Dogs will be also introduced to a basic tunnel, and how to safely climb on hay bales (skills needed for this sport)!
